*Rhymes with Twee & Friends Present:*  
**COLORING BOO(K) 2018**

Many people have food allergies or dietary restrictions. Placing a teal pumpkin outside signals you have non-food items to hand out on Halloween. The Food Allergy Research & Education's (FARE) Teal Pumpkin Project inspired me to compile this coloring book to be printed and handed out for free. Great for trick-or-treaters or for a favor at a Halloween party!

For further information about Teal Pumpkin Project:
