I'm Leigh (She/Her) and I run a small craft company called Rhymes with Twee. The Food Allergy Research & Education Foundation's (FARE) Teal Pumpkin Project inspired me to compile a free printable coloring book to be handed out to trick-or-treaters with food allergies or dietary restrictions. On Halloween, placing a teal pumpkin outside signals you'll be handing out non-food items on Halloween. For further information about the Teal Pumpkin Project, visit www.foodallergy.org.

To show off your finished colored pieces, @rhymeswithtwee on Instagram with the hashtag #RWTcoloringboo! Thank you so much to my artist pals! All artists retain complete copyright over their work. Please support them and buy their art. This is my 9th year compiling Coloring Boo(k) and we all hope you enjoy it!
